

AIRCRAFT #2

N60MP

Location of aircraft: A&S Helicopter 3300 Vector Dr. East St.Louis, IL. 62206
Manufacturer: Bell Helicopter
Make: OH-58
Model: A+
Manufacture Date: 1971
Serial Number: 71-20391
Are Major Components Missing? No
Original Acquisition Cost: \$0
DEMIL Code: C
Is the Dataplate Available: Yes
Are Historical and Maintenance Records Available: Yes
Has Aircraft been certificated by the Federal Aviation Administration: No
Has aircraft been maintained to Federal Aviation Administration standards: No
Has the aircraft been used for non-flight purposes: No
Description of aircraft condition:
 * N1 & N2 turbine wheel failure. Engine is disassembled.
 * Left dual pilot controls are missing.
 * N1 gauge missing and fuel gauge missing.

AIRCRAFT #3

N281MP

Location of aircraft: A&S Helicopter 3300 Vector Dr. East St.Louis, IL. 62206
Manufacturer: Bell Helicopter
Make: OH-58
Model: A+
Manufacture Date: 1969
Serial Number: 69-16190
Are Major Components Missing? Yes
Original Acquisition Cost: \$0
DEMIL Code: C
Is the Dataplate Available: Unknown
Are Historical and Maintenance Records Available: No
Has Aircraft been certificated by the Federal Aviation Administration: No
Has aircraft been maintained to Federal Aviation Administration standards: No
Has the aircraft been used for non-flight purposes: Yes
Description of aircraft condition:
 * The aircraft was originally acquired for part and has never been airworthy.
 * No Engine, no transmission, no tailboom, no main rotor blades, no tail rotor or tail rotor gearbox, no mast, no seats, electrical and other misc other essentials missing.
